BECKETT SPURS PARA INTO MUNIC

PREMIER AVERS CANADA IS NOT SELF-SUFFICIENT

Keeping Up With Jones Has Been Ruination of Nations—This Country Cannot Experiment with Shorter Hours, Higher Pay.

MONTREAL, Sept. 1.—Continuation of Canada's national life depends on maintenance of her position as a great exporting nation and therefore this country cannot experiment with "shorter hours of work and higher rates of pay."

This declaration from Premier R. B. Bennett last night was interpreted by his hearers as a partial answer to the often asked question as to how far Canada might go in following the National Recovery plan of the United States.

While the Premier did not mention the United States, there was a note of warning in his voice as he spoke to a distinguished group of his colleagues in the cabinet and in parliament and leading Montreal business men assembled at dinner under the auspices of the Montreal Board of Trade.

"Keeping up with the Joneses has been the ruin of nations as well as of individuals," declared Mr. Bennett. "We must not declare ourselves as self-sufficient. We must be a nation of 26,000,000 or a self-sufficient unit."

In his talk last night the Premier touched on the highlights of the World Economic conference, expressed his firm conviction that the recovery plan of the United States is a self-sufficient unit.

Virginia Succeeds in Turning Back British Invasion—Enid Wilson

EDMONTON COUNTY CLUB, Highland Park, 11, 12. The Virginia Van Wie and Helen Hicks, defending titleholder, and Helen Hicks, New York State, won the women's United States golf championship at Edmonton last night. Miss Van Wie turned back Edna Wilson, the British invader.

Girl Kidnap Victim Found Held Prisoner

WINDSOR, Ont., Sept. 1.—Traced by her father, formerly a detective, Miss Gales Lecker, 27, Windsor, became a victim of a kidnaping party in a house at Windsor, Ont. She was found having been held prisoner by kidnappers since she was 14 years old. Her father said he had today when he brought the girl home.

Stolen Raiment Removed From Girl as Owner Looks On

CHICAGO, Sept. 1.—A woman who identified herself as Miss Alice Ziebur of Chicago probably had no idea she might turn into a nudist as a result of a stolen raiment. She was arrested on meeting Mrs. Freda Pitman of Chicago, Wis. She met Mrs. Pitman last night on the corner of State and Madison streets. Mrs. Pitman, whose outcaste costume valued \$400 worth of clothing, was arrested shortly after she arrived on June 30 last, the world's fair, summoned a policeman and informed him that the dress Alice Ziebur was wearing was one that she (Mrs. Pitman) had "made with my own

Police Arrest Torture Slayers

NEWTON, Ill., Sept. 1.—Swift arrests yesterday followed the torture slaying of an 82-year-old farm woman and the beating of her aged brother and her daughter as they lay in bed.

Three men invaded their farm house six miles out of Newton Wednesday night, fatally hurt Mrs. Mary Schaefer and left her brother, Bernard Weidner, 82, and her daughter, Miss Anna Schaefer, 47, unconscious from beatings and burns after ransacking the house.

The attack was not discovered until Miss Schaefer, 12 hours later, recovered consciousness, hauled her body and crawled to a school house 100 yards away, where she again collapsed.

Later yesterday police arrested Henry Shelly, 35, and John Allen of Danville, and Harold Peckinpaugh of Danville and Indianapolis. They will be charged with murder.

PINIAK HANGED AT ROPE'S END

WINNIPEG, Sept. 1.—Peter Pinak, 24-year-old Ukrainian of the Whiteford district, paid the supreme penalty on the gallows here today for the murder of Mrs. Mary Squarok, farm-neighbor, last March. The trap was sprung at 1:30 p.m. and the victim was hanged by a rope.

Pinak was convicted of the murder of Mrs. Squarok, wife of a neighbor of the Pinak family, who was killed when the victim advanced of the young Ukrainian farmer, her five-year-old son, Eddie, was thrown into a nearby well. His pyramidal body was found two days later.

TORCH MURDER VERDICT OPEN

BRANDON, Man., Sept. 1.—Mystery still surrounded the death of Daniel J. Wilshaw, 73-year-old bank auditor, today, a jury of investigation by a coroner's jury concluded early today with the return of a verdict declaring Wilshaw came to his death "by the means of a torch." The body of Wilshaw was found by a friend in his home here, July 11. There was a deep stab wound in the neck which medical authorities have declared could not have been self-inflicted. No motive for murder is known.

Baseball Play-off Game Postponed

The first game of the provincial play-off baseball series between the Edmonton and Northern Alberta champions, and the two teams, scheduled to be played at Regina, was postponed today. The game will be played at Regina on Friday, as the weather is expected to be favorable.

New Game Sanctuary

MOOSE JAW, Sept. 1.—Taking into consideration the world's present situation, a new game sanctuary comprising 42 square miles south and west of here, has been established. The sanctuary is being established by the Saskatchewan government. It has been announced by A. E. Kitter, game commissioner.

Italy Concedes Trieste To Austria: France Views Hitler Army In Alarm

Showing a friendly attitude toward the interior nation, Premier Benito Mussolini, of Italy, centre, has completed obligations with Chancellor Engelbert Dollfuss, right of Austria, to concede the Port of Trieste, shown in sketch at bottom, to the latter country as a free zone for her overseas trade of a nominal annual payment. At the same time, Hitler warned Chancellor Adolf Hitler, left.

Germany, in diplomatic language, to keep hands off Austria as a precaution to avert frontier disputes. The map shows the Port of Trieste in relation to the countries involved. Meanwhile, Europe, particularly France, are protesting the increase in size of Germany's army to over a million men.

The contest consists of 12 puzzle pictures the solution to each represents one part of the world's greatest empire, of geographical, historical, or commercial importance.

The solution may be a country, a province, a state, a city or a town, or a village, a mountain, a river, a body of water, or a famous building.

STEEL BARRIER DEFIES EENEY 125-MILE FRONT

New Fortifications Announced Completed at Cost of \$100,000,000—Germany Not Far Behind in Battle Mood

PARIS, Sept. 1.—Premier Edouard Daladier today told the French cabinet about the strength of France's new steel and concrete defence chain along the German frontier, while Nazi followers of Chancellor Hitler were opening their "factory countries" in Nuremberg, Germany.

The Premier's report of his recent inspection tour, as war minister, of the solid barrier of ultra-modern fortifications occupied the whole cabinet meeting, except for Daladier's outline of Austria-Germany frontiers.

The new fortifications cost \$100,000,000 and include trenches and dugouts over a 125-mile line. M. Daladier described the new defence as a last-minute non-offensive in blocking an invasion.

The cabinet unanimously approved taking a firm policy toward German border incidents emanated by Foreign Minister Paul Baudouin, who reported on Nazi demonstrations along the French frontier.

Strike Action In 'Peg Averted

WINNIPEG, Sept. 1.—Complete stoppage of Winnipeg's transportation system was averted last night when employees of the Winnipeg Electric Railway went to work for a strike that might have started today.

A statement of a "strike in the air" that a board of conciliation had recommended a 10 per cent wage cut effective August 1 and announced the men would not accept the offer was made yesterday. The board's plan was to have a strike in the air.

TROPIC WIND AGAIN PERILS CUBAN ZONES

Thousands Flee Inland by Train to Escape Coming Storm

HAVANA, Sept. 1.—A 60-mile wind, the vanguard of a hurricane, struck the Cuban coast today, driving inhabitants inland and wrecking communication lines.

At 3 o'clock this morning the wind, coming from the north, began to blow and later proceeded westward, causing much property damage in the millions.

Communications with Santa Clara were broken during the night. About 1,000 residents of Havana, fearing the worst, were taken inland aboard a special train of 17 cars which made three trips.

Julkens on the south coast, asked that a train be sent inland to evacuate inhabitants when water was expected to rise.

Communication lines were down on the north coast of Santa Clara province. Before the telegraph was cut, the station at Santa Clara had heard the noise of a falling building.

Support of the 30,000 men, mainly farmers, in the western provinces, of the On-to-the-Bay association will be related to maintain shipments to the west from Churchill, the prairie provinces, northern support, if necessary.

Near-empty bins in the government-owned 1,500-ton elevator at the little port on Hudson Bay mean only two more shiploads of grain to world markets can be made this season unless the prairie provinces more grain into the north port.

It is a shorter haul for the western Canadian shipper to send his export grain via Churchill than right now it is to send it to the coast. It is a shorter haul for the western Canadian shipper to send his export grain via Churchill than right now it is to send it to the coast.

3-DAY CRICKET ENDS IN DRAW

HOVE, Sept. 1.—The three-day cricket match between the touring British West Indies XI and Sussex, which was drawn today, ended in a draw today when the teams were unable to complete the second innings. Sussex were West Indies XI men in the first innings.

MAN EATING TIGER GETS THIRTY-ONE IN SIX WEEKS

Still at Large as Terror Grips Baluchistan Village

By Gordon Sinclair. QUETTA, Baluchistan, Sept. 1.—The worst man-eating tiger to growl India jungles this century has not picked off his last victim in six weeks and broken her own slaughterhouse.

Once before, in a single evening, a tiger with a single victim, had killed a tiger with a single victim, had killed a tiger with a single victim, had killed a tiger with a single victim.

This second claver, a tiger with a single victim, had killed a tiger with a single victim, had killed a tiger with a single victim, had killed a tiger with a single victim.

WINNIPEG, Sept. 1.—Premier J. T. McCreery, of Saskatchewan, is expected here today to confer with Premier John Bracken, of Manitoba, and the two prairie provinces are interested.

TOP TEMPERATURE IN MONTH AUGUST

Weather conditions in the Edmonton area vicinity were hot and comparatively dry during the month of August, according to figures given out Friday by Dominion meteorologists. The thermometer was hitting 96 degrees, and the mercury registered a record for the past 15 years and a mark just two points below the all-time top for both July and August. The highest temperature was second highest for the past 15 years.

Mean temperature was 62.6 for the month, just half a point below last year's average. August's low of 63.1.

The hottest temperature was 96 degrees, the other maximums were 94 in 1932, 93 in 1922, 92 in 1928, and 90 in 1925.

Lowest temperature last month was 48.7, which was higher than any previous minimum for the same month. The next highest was 51 in 1932 and 50 in 1926. A ground frost was not recorded.

Bright sunshine was above nor-

Detective Chief Back From Trip To Pacific Coast

Chief of Detectives R. Sutherland was back in his office in the police building Friday morning, having arrived in the city Thursday night from an 18 day vacation on the Pacific coast. Visiting friends on the coast police forces he had a chance to see the British Columbia police in action in Seattle and Vancouver and is of the opinion that such equipment will not be needed here for some time to come. Radio engineers, on the other hand, say that A. G. Shute made a preliminary survey of the city's layout last year with a view to installation of a departmental radio system.

While in Victoria Sutherland called on Commissioner Bryan, and on his home of the Alberta Province, where he was previously assigned his duties to take up the reins of the three miles to see the British Columbia city capital.

Protest Proposal Of Dominion To Reduce Relief

Proposal of the Dominion government to slash its share of single men's unemployment relief will be protested by the provincial government, according to Hon. O. L. McKeown, minister of public works.

While the reduction by the Dominion of its share of married men's relief would have a more serious effect on municipalities than the proposed cut in single men's relief, the move to reduce the contribution to single men has caused no little concern in view of the fact that a large percentage of single men are in too low a medical classification to insure their employment in camps and therefore remain in the cities.

It is feared that if the Dominion slashes its contribution an additional share of the burden for these people would be thrown on municipalities.

DAWSON MINE FIRE IS HALTED

Smouldering coal slack broke into open flame shortly after 6 p.m. Friday in the boiler room bin and brought out men and equipment. The number two fire hall to the Dawson mine, on the south bank of the river opposite the Alex Taysine mill, Property damage was light, according to Deputy Chief James McGregor, in charge of operations.

Spontaneous combustion was the cause of the blaze, investigators said.

As the flames burned under a large pile of slack housed in the bin, men were forced to tack their way through the heavy timber to reach the source of the blaze. A small chemical hose was enough to extinguish the fire once the department reached it.

Ex-Premier Borden Deplores Jap Manchu Policy

Wartime Premier Gives Views To Bar Association

Emphasizes Significance of Nippon's Actions in Crisis

OTTAWA, Sept. 1.—Honorable Sir Robert Borden, wartime prime minister of Canada, tonight gave his opinion on the course followed by Japan in the Russo-Japanese controversy at the Canadian Bar Association conference.

The address was delivered before the Canadian Bar Association conference, which is being held at the Hotel Vancouver, and is the first of a series of addresses by Borden to the association.

Borden, who was prime minister of Canada from 1911 to 1920, said that he was not a lawyer, but that he was a citizen, and that he was a Canadian. He said that he was a Canadian, and that he was a Canadian.

Suffering a temporary indisposition, Sir Robert Borden, who was prime minister of Canada from 1911 to 1920, tonight gave his opinion on the course followed by Japan in the Russo-Japanese controversy at the Canadian Bar Association conference.

YOUNG CORBETT Senator Schall SEEKS JOB AT SACRAMENTO Volunteers To Champion Ford

Fighter Despairing of Mc Larnin Match Goes to Work

SACRAMENTO, Cal., Sept. 1.—Despairing of getting a return match with Jimmy McLarnin, the betting favorite from Vancouver, and then by reaching his hometown championship, Young Corbett Jr. has asked Governor James Rolin Jr. for a job.

The Fresno battle told the general there was no money in the moderate fight and that he ought to work. The government, a long time fighter, directed his representative, William C. McCarthy, to place Corbett, probably as a boxing instructor.

"I'm quitting while the quitting is good," Corbett said. "McLarnin won't give me a return match. Fourteen years is plenty in the ring. I have been fighting since I was 15 and I am 25 now."

I'm getting out of the ring with a little money, but it won't last long. I'm not at work. I'm tired of waiting for fights. I want for a year and it cost me \$7,000. I'd rather be working for a small wage."

Corbett said he will keep in shape. Young Corbett Jr. Robert Gilmartin in private life.

and co-owners of all six stations in their sector of the province this year. Frechu's brilliant baseball skill is in the city to commence the Alberta senior amateur championship against Norman Lodge's Cubs at Renfrew Park, starting at 6 p.m. Thursday.

The southerners left home by motor coach Thursday evening and arrived here in time to get a thorough rest before going into the opening battle against the Northern titheholders. The series will be decided on a best three-out-of-five basis, with the second game being played Sunday afternoon at three o'clock and the third on Monday at the same time.

W. H. Graham, of Calgary, was runner-up to the local star in the opening play, turning in a fine 10-1 for the Thursday round, while another Calgary player, Fred Brown, was third in line with an 84. Next in line was Edmond, with 77, Captain Martin of Municipal, and W. K. Crockett, of the Calgary and Country Club, who were tied with 75.

Despite the inclement weather, the series is expected to be a championship in possession of the Walter P. Reuther Trophy, which was won last year by the team captained by Hon. W. L. Walsh, lieutenant-governor.

Rain naturally had some effect on the game, but the southerners

ARMED AND DANGEROUS

With a pitching staff headed by the high-rated Smiley Brookes, and a great array of sluggers led by hard-hitting catcher, Frank Hees, the Trochu team comes here to attempt to win the title by who have seen them perform in the south. Brookes, a right-hander, is expected to have a real fire-ball and all the rest that it takes to be a successful mounder. He has a close cluster whose ability with the big stick is known all over Alberta. He has a strong arm and a good action here a couple of years ago. The remainder of the team is made up of players with his pair, too, according to reports.

The Trochu team left the start-

ing the scoring for the Trochu team, the cards turned out in showed some real go by the seniors and indicate that there will be a pretty close struggle for all of the seniors.

CLOSES STRONGLY

A brilliant closing finish on the home nine gave Dowdell his fine score and the Trochu team won over the opening nine boys in 41. The seniors' strength in the game stretch to make it in 37 strokes to complete's distance in the 78 and a second half of the seniors to journey's distance.
